ABSTRACT

In this abstract part I have to explain the goals and purpose of my project, title as **DISTRIBUTION INFORMATION SYSTEM**. The main purpose of my project is to develop a computerized system for maruthamunai janet distribution system. So, I have to develop the computerized system known as distribution information system.

I have used the Microsoft access for database design, Microsoft visual studio for designing purpose. I hope this computerized system will fulfill the requirements from the user, reduce the short comes perform by the manual processes.
